

SOCIAL EMPOWERMENT THROUGH WORK EDUCATION AND ACTION (SEWA)

Report on " Raising funds through Creative Writing"

The students with a flair for writing came together to encourage the talented writers to express themselves in different forms of Literature.

The group of 38 students formulated the 'Writer's Club'. On 29th August, 2018, each member enrolled as a member with a registration fee of Rs 100/- for the article submission.

Some magnanimous members made a higher voluntary contribution.

The articles were compiled into a small journal.

The contribution was used to buy supplies for the Kerala Flood Relief and the supplies sent to the affected through an NGO functioning at Pallikaranai, Chennai.

The experience of raising funds for the noble cause instilled in us a deeper sense of humanity and sensitivity to the 'need of the needy'.
