

Two days workshop on Capacity building program for Geography teachers for classes 6,7,8 was held on 8th and 9th of August 2015 D.A.V Public School, Nerul , Mumbai

Teachers from entire Western Region Zone2, participated in the workshop. It was inaugurated by respected Regional Director , Jose Kurian Sir by lighting of the lamp followed by a prayer.

The resource person for the conduction of the workshop was Respected Jayshree Khandekar Maam Principal of DAV school, Panvel.

For the workshop we had two sessions.

SESSION I

- Ice Breaker Activity
- Challenges Of Teaching Geography

SESSION II

- Lesson Planning For Effective Teaching

Various activities were planned and conducted as mentioned below

- List 5 things which you find hard to adopt in your teaching and 5 things which you find easy in teaching
- Three common problems faced by geography teachers
- Qualities of Social Science teachers.

Teachers were enthusiastic and full of new ideas, concepts and with the activities, discussions and presentations

The program was concluded with the speech by Respected Regional Director, Jose Kurian sir.

The teachers strengthened their skills and knowledge to meet the challenges they have to phase on everyday bases

Looking forward for more such workshops to be held in future.
