Summer Vacations
Holidays Homework 2018-2019

1. CLOUD MAKING ACTIVITY

Make a cutout of a cloud using 1/4th size ivory sheet and encourage your child to paste cotton balls in it. Show colourful raindrops falling from it using thread.

2 .Solar System

Make a wind chime , using old hanger or CD's and threads showing Sun and the eight planets of solar system.

3. STAR AND RAINBOW MAKING

Make a cutout of a Star and a Rainbow using your creativity to enhance it.

Material required:

- ❖ 1/4th size ivory sheet each
- ❖ Craft paper for tearing and pasting
- ❖ Glue
- ❖ Googlee eyes and cut out of red lips to be pasted

❖

4. Pictionary

Make a pictionary in a scrap file of words related to things we see in day sky and night sky. You can use pictures, cutouts from newspaper/ magazine or can even draw or paint also.

5. BEST OUT OF WASTE

Show your creativity using waste materials such as used plastic bottles, buttons, old used CD's, coke cans, cardboard etc. and make a model of any one means of Airways according to your child's roll number.

Roll no.1-10: Aeroplane

Roll no.11-20 Helicopter

Roll no.21-30 Rocket

Roll no. 31-44 Spaceship

6. Let's fly up in air

Make a paper mache hot air balloon and paste your child's photograph in the basket below.
