MESSAGE

I am delighted to learn that DAV Centenary Public School, Siwan (Bihar) is bringing out its school magazine 'Daksh'. I believe that a school magazine not only provides an outlet to the latent creative potential of the students but also proudly showcases the milestones the school has achieved in varied fields of education.

DAV Institutions are known for imparting quality education with moral values where emphasis is laid on holistic development of a child. Here every student is provided an opportunity to acquire knowledge, values, commitment and skills needed which help in building self-confidence in the students. To keep the students abreast with the latest technology, the management constantly facilitates them to improve their performance, restore confidence and help them to reach their full potential.

I hope the school will continue to keep up its tradition in the service of society and its magazine 'Daksh' will set new standards.

My best wishes!

Poonam Suri

MESSAGE

I am glad to know that DAV Centenary Public School, Siwan (Bihar) is bringing out its school magazine 'DAKSH'. A school magazine is an important vehicle of communication which creates awareness in the society about the direction in which school is advancing. I am sure that all such activities and achievements will be reflected in the forthcoming magazine, which will make the teachers and students proud of their contribution towards it.

The aim of a good school is to impart quality education to the children, whereby they not only learn to respect the environment but also realise their responsibilities towards society. Just as light eliminates darkness, true education removes ignorance. Proper education is the light that enables a child to see things in proper perspective. A true and a sound system of education should have character formation as its main objective. I am sure that you are pursuing this aim with sincerity, commitment and dedication.

With best wishes,

Dr. Nisha Peshin

MESSAGE

Dear Pathakjee,

It gives me immense pleasure to know that your school is bringing out its school magazine 'DAKSH'. Please accept my heartfelt greetings and felicitation to all inmates of the school through it and feel immensely happy to salute the creativity and aesthetic sensibilities of the young writers.

The school magazine chronicles the vast spectrum of scholastic and non-scholastic activities carried out at school for an all-round personality development of young learners. It also showcases its achievements in various spheres and thus exhibits the endeavour made by the institution and faculty for attainment of objective and societal goals. It is an ideal platform for the credits to express their experiences, views and literary skills besides developing creativity amongst them.

I earnestly hope that the present generation of DAV Centenary Public School, Siwan will aim high, strive harder to emulate the examples set by their seniors. I complement the Editorial Board for bringing out the school magazine DAKSH with an outstanding get-up. I also wish the very best to all the students, staff and their families and all the DAVians wherever they are.

With warm regards

S.K. Jha

MESSAGE

It gives me immense pleasure to learn that DAV Centenary Public School, Siwan is coming up with 'DAKSH', its annual magazine.

A magazine is a wonderful medium of expression, it reflects the unexplored potential of students. It also helps in fostering creativity and thus shapes the all round development of children.

I extend my sincere greetings and wish their endeavor all the very best.

MAHENDRA KUMAR
DISTRICT MAGISTRATE, SIWAN

The Principal's Missive...

The highly competitive times that we live in, make it incumbent upon a school to engage in constant introspection and retrospection designed to keep pace with global educational trends; only then can an institution befittingly equip its students to face challenges in life. DAV SIWAN has always been synonymous with excellence in education and to this ethos we stand committed. Hence our learning environment is all encompassing of life skill education, multiple intelligences and innovative pedagogy, supported by state of the art infrastructure.

In juxtaposition with this, we also perceive, it is our responsibility as a premier institution, to make a notable contribution to uplifting the social and moral environment of our nation. Quality institutions, such as ours, must work concertedly towards enhancing the prevalent values systems before they can be recommended for adaption to our young children.

We are all well aware of the 'fast and furious' decline of moral standards in life around us in recent times. In an era when we are advocating that educational curriculum and pedagogy be more reflective of real life experiences, we need to also ensure that life around us is reflective of desirable standards of moral and ethical values, worthy of being emulated by our young minds.

Therefore, we DAVians are tirelessly striving to instill in our students a strong sense of personal discipline, integrity of character, probity and respect for diversity, that ingrains in them an unflinching moral and civic sense and qualifies them to be upright global citizens; or in other words, we equip and empower them to be world-ready!

महात्मा नारायण दास ग्रोवर एक अद्भुत किसान

अंधेरा घोर अशिक्षा का जब
भारत-वर्ष में छाया था ।
देखो आगे झोला लेकर,
एक जोगी बाबा आया था ॥

ज्योति से ज्योत जलाया था,
मरु में वह कमल खिलाया था ।
जब दौर चली अंग्रेजी की,
डी०ए०वी० लेकर आया था ॥

पहले महात्मा हंसराज, जिस
तारीख को अवकाश लिया ।
ममतामयी माँ ने दूजे को,
समतिथी मास में जन्म दिया ॥

सब नमन करो उस जननी का,
जिसने ऐसा संतान जना ।
आगे चलकर जो भारत माँ
का, ऐसा पूत महान बना ॥

सब अन्न उगाते खेतों में,
वह शिक्षालय उपजाते थे ।

पाकर वरदान ओम् का वह
अद्भुत किसान कहलाते थे ॥

मर्यादा पुरुषोत्तम की भाँति,
जिस जगह चरण स्पर्श किया ।
क्षण में ही अहिल्या के लय में
एक विद्याभवन उत्कर्ष किया ॥

उस लौह सरीखे, मानव का
हम जितना भी गुणगान करें ।
एक बूँद मात्र हो पाता है,
सागर सा शेष रह जाता है ॥

लाखों का कल उज्ज्वल करके,
लाखों का आज सजाया था ।
शिक्षा के क्षेत्र में भारत में,
जयघोष का बिगुल बजाया था ॥

कृशकाय रहा था जो तन से
पर शक्ति असीम वह पाया था ।

देखो आगे झोला लेकर,
एक जोगी बाबा आया था ॥
