

## A Talk on Interdisciplinary Education at DAV 14: Offering New Perspectives

In view of the New Education Policy which is soon going to be rolled out, a talk session was held for students of classes X and XII on interdisciplinary education and its implications.

The session was conducted by an erudite panel of speakers. The first speaker was Ms. Ashley Rockenbach an Associate Professor of History and Director for the BA (Honours) Programme in the School of Liberal Studies. The second speaker was Mr. Sunishth Goyal who is teaching as a Faculty at the School of Law at BML Munjal University.

The session was an eye opener for all the students who are now on the threshold of making crucial choices in their careers.
