

# ENGLISH RECITATION ACTIVITY

“Poetry is the core of literature.”

Poetry is simply the most beautiful, impressive and widely effective mode of saying things. To instill love for poetry and develop recital skills of children, an ‘English Recitation Activity’ was organized for the grades of LKG and UKG on 17 January 2022. The kids presented the poems with proper rendition, voice modulation and appropriate pronunciation. The young orators came up with variety of topics like Corona Virus, Nature, Courage, and many more. This activity helped the children to develop their oratory skills and gain self-confidence.
