

# D.A.V. PUBLIC SCHOOL, SECTOR 10A, GURUGRAM

**‘Colours are brighter when the mind is open.’**

Colours are a source of joy and happiness for children. To enhance the aesthetic sense of our budding artists, a ‘Colouring Activity’ was conducted for the students of Grade LKG and UKG on 11 May 2022. The tiny tots participated with zeal and showcased their talent. The activity helped them to ignite their creativity, explore new ideas and develop their fine motor skills.
