PRESIDENT'S MESSAGE

The Vedic ideology has laid the ten characteristics of a good human being - Humility, Compassion, Tolerance, Truthfulness, Discipline, Freedom from anger, Contentment, Sharing, Charity, Forgiveness and Purity of mind. You all should strive to imbibe all these qualities to aid you to be good human beings – "Aryas".

"Where there is righteousness in the heart, there is harmony and peace" said father of the nation Mahatma Gandhi.

The school has an important role to play in imparting knowledge, education, values and social skills. As always, DAV Sector 14, Gurugram has proved equal to the task of churning out wholesome personalities, who have brought laurels to the institution with their stupendous results and upheld the tradition of ethical excellence.

The CBSE results in both classes X and XII, speak volumes of the dedication and commitment of the teachers and of students. 87 students out of 262 have scored above 90% in class XII while 122 out of 287 have scored above 90% in class X. The Qualitative Performance Index for class XII stands at 83.3 and for class X, it is 84.74.

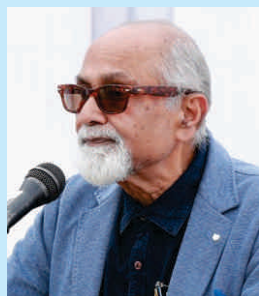

My heartiest congratulations to the students, teachers and parents for this wonderful performance. That the students have done so well, speaks volumes of the perseverance of the students, dedication of the teachers and support of the parents.

A word to the students – Do embark upon the next leg of your life's journey, on the strength of your character which DAV has inculcated in you since the time you joined the school. The nobility of your thoughts and the righteousness of your actions will go a long way in ensuring that you are healthy, fruitfully occupied, happy and contented.

May the Almighty bless you all with good health and success!

FROM THE CHAIRMAN'S DESK

Shri Prabodh Mahajan

Chairman
DAV Public Schools, Gurugram
Vice President, DAV College Managing Committee, New Delhi

Dear Students

My heartiest congratulations to you, your mentors and the Principal of the school, Mrs. Aparna Erry for an excellent performance in class X and XII CBSE examination held in 2023.

The Vedic ideology, that DAV is rooted in, empowers you to become empathetic individuals, raise your self-esteem and address your weaknesses. Our education system is unique because it focuses on equipping the youth to contribute towards the development of the country as well as maintaining the supreme worth of India's spiritual heritage. Knowledge will give you power, but good character will win you respect.

School is not just about learning concepts but is also a place

where a foundation can be laid for becoming righteous individuals with beauty in character and conduct. Teachers at DAV strive to nurture the values of trustworthiness, responsibility, courage, diligence, integrity, respect, honesty and genuine kindness for all. This social environment that a child encounters is a crucial step towards character building. This is accomplished through planned actions and a plethora of activities which are integrated in the curriculum.

The very purpose of education is to replace an empty mind with an open one. My dear children, learning is a life-long process of growth and development. The learning process is important because it results in new knowledge – knowledge that opens our minds to new perspectives, ideas, beliefs, cultures and solutions. Learning about different perspectives and world views helps a person to adapt to new and unfamiliar environments. It also sparks the imagination and helps tackle formidable challenges.

I would like to congratulate the parents for their belief in us that inspires us to shape the young minds and transform them into dreamers, achievers and trustworthy individuals.

Human progress is neither automatic nor inevitable..... Every step towards the goal of justice requires sacrifice, suffering and struggle; the tireless exertions and passionate concern of dedicated individuals.

Martin Luther King, Jr.

FROM THE VICE CHAIRMAN'S DESK

Dr. N.K. Uberoi

Vice Chairman
DAV Public School, Sector 14, Gurugram
Vice President DAVCMC

The words of the message are not my original. I synthesise these out of many writings of various writers.

I am not sure whether these words constitute message. A message has a theme; my words are a rhyme.

My congratulations for the excellent results, achievements and glorious success. I am replacing the word 'congratulations' with Latin version 'Congratulari' which

means joy for all those involved in the process of performance of children. Of course the children's own performance occupies a position at the top of Summit, their Summit must be held.

Success is a beautiful journey, not a destination; creating on its way many qualities and subconscious knowledge.

Ramasubham says "Success is measured by number of hours you smile per day". When you are on your journey for great success, you should not ignore the lateral sides of straight path on which you walk during the journey.

The lateral sides unveil – "Success is when you are of some help to someone". Successful persons are often criticized but this criticism evaporates when you have taken care of lateral sides of your path.

DIRECTOR'S MESSAGE

Dr. Nisha Peshin

Dear Mrs. Erry

It gives me immense pleasure that like the previous year, DAV Public School, Sector-14, Gurugram has earned a name in imparting quality education this year too when its students of Class-X & XII have repeated their excellent performance in CBSE Board Examinations 2022-23.

It has become possible due to the keen desire of students to learn and also the dedication & sacrifice of parents and staff of the school by virtue of which the school has earned a name of fame. I wish the Result Special Newsletter-2022-23 will inscribe all awards and achievements of the school and circulate it round the corners. I am sure this will inspire the students and all readers to feel the importance of education in the society which undoubtedly enlightens our life.

I admire all the students and the staff of the school. I hope; such passion of the students and staff of the school towards education will continue with more zeal and enthusiasm.

MANAGER'S MESSAGE

Ms. Premlata Garg
Manager
DAV Public School, Sector-14
Gurugram

At the outset, I would like to congratulate the Principal, Mrs. Aparna Erry, the parents and the teachers for the admirable performance in CBSE class X and XII examination!

The current batch of students, who appeared for the Board Exams, went through a period of insecurity. However, they accepted the challenges in formidable times fraught with uncertainty and deserve to celebrate the exhilaration of victory. We are extremely proud of you and appreciate the strength of your character.

This resounding success would not have been possible without the hard work of the teachers who navigated through the

challenging times when the boundaries between their personal and work life seemed to blur due to the online mode. I would also like to express my heartfelt gratitude to the parents who reposed complete faith and trust in us and lent their co-operation during the crucial time.

Adorned with the lessons imbibed during the onerous periods, I am sure our students will shine with brilliance wherever they go. The admission scenario has completely changed with competitive tests like CUET which test the critical capacities of the students. We are confident that you will secure admissions into colleges of good repute.

The visionary culture of DAV has equipped our students with requisite knowledge, 21st century skills, attitude and most importantly the values to carve a niche for themselves in the global scenario. The legacy of DAV traditions and the ethics will endure and will be a beacon of light guiding you towards your goals. Your invincible endurance and earnest endeavours will help you scale new milestones as you stride with ebullience!!

FROM THE PRINCIPAL'S DESK

Ms. Aparna Erry
Principal
DAV Public School, Sector-14
Gurugram

Greetings to all!

Come May and the wait for the results becomes overwhelming. After all it is the hard work, perseverance and devotion of the students and teachers who spend the entire year studying and practising to achieve perfection for the most coveted school examination, the CBSE examination for class X and XII! We are extremely glad that yet again our children have brought glory and fame to their parents and our institution.

The sincere efforts and unflinching support of the parents in encouraging and motivating the children is applauded and

acknowledged by all of us. Our teachers have kept a close watch on the progress of their students and corrected them all along to minimise the errors. They deserve the credit for their unceasing efforts.

The screenagers, as they are called, are multi-talented, dynamic and quite dexterous at their work and handle scholastic and co scholastic areas with alacrity and suave. As parents and teachers we need to guide and assist them in making the right choice.

I congratulate each one of you for being committed to the task at hand and achieving the goal. Our students have a bright future as they have a sound value system coupled with the skills that will keep them in good stead always.

Doing the best at this moment puts you in the best place for the next moment.

GLORY OF THE GRINDSTONE

The pencil gave my finger a corn
 And the legs felt still and sore
 But all that was taking me somewhere
 Somewhere beyond merely a score
 Yes, I was burnt out
 But burn all must to someday shine
 I couldn't be stopped by fear or fatigue
 So I continued when the clock hit nine
 I was doing it for something bigger and more
 meaningful than the expectations and fame

I wished to taste the perfectly brewed success
 So I withstood the heat of the internal flame
 All are dumbstruck when the buffering stops
 And the results finally appear
 But for some the bafflement is because of dismay
 And to some it brings cheer
 Dear reader, I swear not to lie
 When I tell you that achieving is just euphoria
 It's the dedication and blood and sweat behind
 Which brings eternal gloria.

 Class XII (2022-23)

Principles of ARYA SAMAJ

- God is the primary cause of all true knowledge (science) and of all that can be known through it.
- God is existent, intelligent and blissful. He is formless, omniscient, just, merciful, unborn, endless, unchangeable, beginning-less, unequalled, the support of all, the master of all, omnipresent, immortal, fearless, eternal and holy, and the Creator of all. He alone is worthy of being worshipped.
- The Vedas are scriptures of true knowledge. It is the duty of every Arya to read them, teach them, hear them being read and recite them to others.
- We should always be ready to accept the truth and give up untruth.
- All actions should be performed in conformity with Dharma, that is, after deliberating what is right and wrong.
- The prime object of the Arya Samaj is benevolence of the world, that is, to promote physical, spiritual and social good of everyone.
- Our conduct towards all should be guided by love, righteousness and justice.
- We should aim at dispelling ignorance and promoting knowledge.
- One should not only be content with one's own welfare, but should look for the welfare of others also.
- One should regard oneself under restriction to follow the rules of society calculated to promote the well-being of all, while in following the rules of individual welfare, all should be free.
