

Ref No. Str. Cert-2019-65

Date. 22/07/2019

CERTIFICATE OF STABILITY AND SAFETY OF THE SCHOOL

The structure design of school building has been checked and found to be in order. The design is in accordance with the provisions of the National building Code and the relevant Bureau of Indian Standard codes (with latest amendments) including Bureau standard codes for structures resistant to earthquakes and other natural hazards. The local soil conditions, its load bearing capacity and the underground water table etc. have been kept in view while designing the same.
