Dear Parents

**FOR CLASS XII**

As you all are aware that INTERNAL ASSESSMENT is an integral part of teaching learning process at virtual mode. In order to strengthen assessment for learning and prepare students for forthcoming challenges it has been decided to introduce ORAL TESTING COMPONENT In Terminal tests. This will ensure more seriousness and thoroughness of your ward in the preparation of exams.

Henceforth, the division of marks in exams will be as follows

For subjects which carry 70 marks - 30 - objective, 20 - subjective, 20 - internal assessment.

For subjects which carry 80 marks - 30 - objective, 30 - subjective, 20 - internal assessment.

The Internal Assessment will include the Oral Testing Component which will be conducted subject wise every Saturday in 3 slots from 9 am to 9.50 am, 10 am to 10.50 am and 11 am to 11.50 am. Each child will be asked questions based on the syllabus/chapter/chapters specified by the concerned teacher. One cycle of oral testing of 5 subjects will complete in 5 weeks. The marks will be added to the total marks to be allotted to the student.

I am sure you understand the need to motivate your ward to attend classes with sincerity and prepare for exams with honesty. I am confident that being aware of the rising importance of internal assessment in today's scenario, children will rely on self study and the inclusion of oral testing will serve this purpose.

I seek your support in the success of this component introduced in the best interest of your ward.

Yours sincerely,

(Mrs. Anita Wadehra)  
Principal
